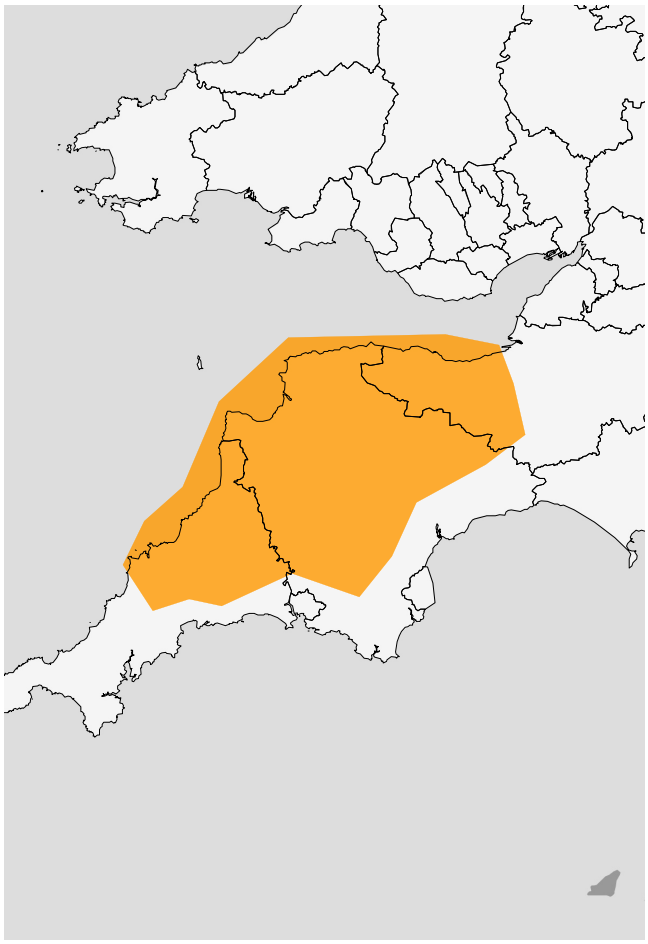
Amber warning
Thunderstorm

Between
14:00 Mon 15 Aug 2022 and
20:00 Mon 15 Aug 2022



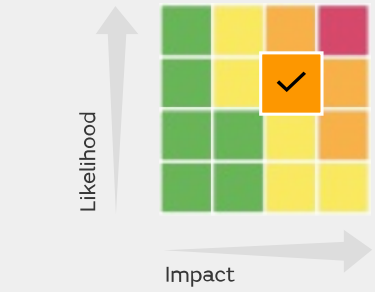
Thunderstorms and heavy showers are likely to cause travel disruption and, in a few places flooding.

What to expect

- Flooding of homes and businesses is likely and could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Fast flowing or deep floodwater is likely, causing danger to life
- Where flooding or lightning strikes occur, delays and some cancellations to train and bus services are likely
- Spray and sudden flooding probably leading to difficult driving conditions and some road closures
- Some communities likely to become cut off if roads flood
- Power cuts likely to occur and other services to some homes and businesses could be lost

Further details

Thunderstorms and heavy showers currently affecting parts of southwest England are likely to persist into the early evening producing some torrential downpours. As much as 60-70 mm rain could build up in a few places. Hail and frequent lightning are likely additional hazards in some places.



Medium likelihood of medium impacts
